

# Workshop for Teachers of Italian

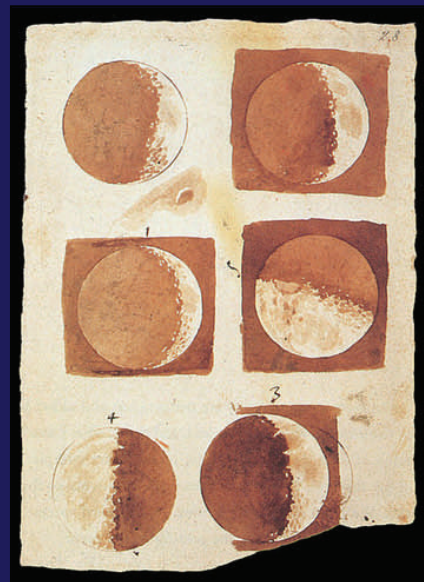

*The Telescope by Galileo Galilei*

To celebrate the Ninth Edition of the Italian Language Week Worldwide 2009, the Italian Didactic Centre, will be hosting "**Gli italiani nel mondo dell'arte, della scienza e della tecnologia**", a workshop for teachers of Italian.

This special workshop is presented by the Italian Ministry of Foreign Affairs lecturers **Dott.ssa Daniela Rosteghin** (Flinders University) and **Dott. Michele Costanzo** (University of SA - Magill Campus)

The workshop will provide you with the opportunity to gain useful information (vocabulary, idioms, phrases, etc.) on how to use this topic in the classroom and help develop new teaching ideas.

*The phases of the moon by Galileo Galilei*
